

How can I be involved?

- **Look at your child's performance and be sure you understand where your child's strengths and challenges are.**
- **Talk with your child's teachers and principal to find out how you and your school can work together to improve your child's performance.**
- **Be aware of your school's performance under NCLB . Communicate your school's successes to your community and look for ways to support your neighborhood school.**
- **Contact the Cape Flattery School District Title 1 Coordinator: Kandy Ritter at (360) 963-2056 or kritter@cfsd.wednet.edu to find out more about how you can be involved by attending district meetings, serving on advisory committees and giving input on policies.**

MISSION STATEMENT

The mission of the Cape Flattery School District, in partnership with the Cape Flattery communities is to ensure that each student be given the opportunity to gain the knowledge, skill, and self-esteem necessary to become a contributing member of society.

How are parents involved in schools?

Parent /Teacher Conferences

Parents and teachers meet regularly to discuss student progress and to strengthen home/school partnerships.

Home/School Compacts

Parents, students, and schools jointly develop agreements defining goals, expectations and shared responsibilities.

How are parents involved at the district level?

DISTRICT WIDE MEETINGS

Parents are invited to participate in the development of the district's Title 1 Parent Involvement Policy and are valued partners in the program evaluation.

Parents will be surveyed annually to gather their input and ideas for the development of Title 1 programs within the district.

SCHOOL WIDE PROGRAMS

Neah Bay Schools are served "Schoolwide" by Title 1 funding. All students attending Neah Bay Schools are eligible to participate in Title 1 funded programs. Schoolwide programs are designed to raise the achievement of all students by improving instruction throughout the entire school.

Components of a Schoolwide Program

- A comprehensive needs assessment
- Reform Strategies
- Address the needs of ALL children
- Instruction by "Highly Qualified" teachers
- On-going Professional Development
- Parent Involvement
- Transition from early childhood programs to local school

- Inclusion of teachers in the decision making process
- Inclusion of activities to ensure all students make academic growth
- Coordination and integration of federal, state and local services and programs.
