- Three ring binder
- Loose leaf paper, college ruled
- Pencils
- Pencil Sharpener
- Scientific calculator, TI-30X recommended

For Weight Lifting and Art: No supplies are needed.
Dear Students,

I hope you have an exciting and enjoyable vacation. I have prepared a “materials” list for you to start out your September return on a positive note.

Materials you will need:

1) Please bring a three ring binder for Spanish class each day. This binder is for Spanish work only and should not be used for other classes.

2) Please bring paper and a writing instrument on a daily basis.

3) You will need 4x6 flash cards. Bring these flash cards to class each day. This should not be a vocabulary list, rather separate and individual cards for self-testing purposes. It is your responsibility to store them in an appropriate manner. They should not constantly fall out of your backpack, nor repeatedly lost or destroyed. You know what organization method works best for you. I will occasionally assign an entry task which requires the use of your flash cards. If you do not have them, you will lose credit on your entry task.

4) For Spanish 1 students, I recommend you purchase a Spanish/English dictionary for your personal use.

For incoming Spanish 2 students, a personal dictionary is required. If there is a funding issue, please advise the school and we can troubleshoot this with you prior to school starting. My personal and preferred dictionary is the Bantam College version. A Chicago or a Larrouse is also a fine selection.

Please commit yourself to 15 minutes of flash card vocabulary review every night. This is an “immersion” course and it is important to take notes and study on a daily basis. I look forward to exploring this language and its many diverse cultures with you.

¡Hasta septiembre!

Señora Salazar
Welcome to Mr. Eyer’s Science and Math Classroom!

The following is a list of supplies you will need to bring on the first day of school. Supplies are separated by class subject and grade level. If you are taking two classes with me that have the same supplies, you DO NOT need to bring duplicates. Please make sure to come prepared!

**Algebra I/Algebra II**
- 1 spiral notebook
- 1 white 3-ring binder
- Pencils, erasers
- 1 Pencil sharpener
- Pens (black/red/blue)
- 1 12” ruler
- Compass (optional)

**Biology/Geology/Chemistry**
- 1 Lined composition notebook
- 1 black 3-ring binder
- Pencils, erasers
- 1 Pencil sharpener
- 3-5 Glue sticks
- Pens (black/red/blue)
- Colored Pencils
- 1 12” ruler

If you are taking science with Mr. Eyer, it is recommended that you have rubber boots and a good rain jacket for outdoor studies and field trips. You do not need to bring these items on the first day. I look forward to meeting you in September.
