Welcome to all our new staff!

Neah Bay High School  
Main Office  
645-2463

On Wednesday, September 14th at 6PM MMS and NBHS will host their annual Back to School Open House for parents. Please join us in the Commons for a brief schoolwide update for the 2016-17 year. Following the update, each parent will be provided with his/her child's schedule. Parents will be asked to follow the schedule, attending each of the classes for 7 minutes. Open House provides teachers and parents opportunities to share course descriptions, classroom expectations, and methods for communication. We look forward to meeting with you on Wednesday.

## Red Devils Secure First Win

*Go Red Devils!*

Playing 11-man football against Chimacum last Friday night the Red Devils used the home field advantage to win the game 52-6.

## Lunch Drop Offs

Some of our students enjoy eating a home cooked meal brought from home. We ask that if parents are bringing lunch—or any other item—to be delivered to students during the school day, that they drop off the item in the office for student pick up.

## Printed EGR

Using Skyward as our student accounting and reporting system allows parents, students, and teachers 24 hour, 7 day a week access to each student's progress. Student and parents can use Family Access to view the assignments in each class as well as the overall grade. During Open House, we will have district personnel available to help parents access Skyward. In addition to the electronic access, we provide students with printed grade reports every other Monday. Please take a couple of minutes every week or two to talk with your child about his/her progress.
